## **RANGE RULES**

**This range is not certified for use of .50 BMG and therefore is not permitted.**

1. All individuals entering and using the range must have the permission of the Peace Country Fish and Game Association.
2. All firearms are to be used in accordance with the Federal Firearms act.
3. All firearms safety rules have to be followed.
4. All firearms are to be carried to the firing line unloaded and in a case or with the action open and the muzzle pointed in a safe direction.
5. No firearms are to be discharged from any area other than the designated firing line or from an area designated by a range officer.
6. No firearms are to be discharged in any direction than at the targets appropriate to the firing area.
7. When there are two or more individuals using the range, one individual shall be designated Range Officer.
8. The range officer will designate times to go downrange and check or change targets.
9. When the flag is up the range is in use and no one is to go downrange
10. When the flag is down no one is to discharge a firearm.
11. Any individual may call "CEASE FIRE" at any time.
12. No firearm is to be loaded until the shooter is ready to shoot
13. All firearms not in use must be unloaded and have the action open or blocked.
14. Any individual found on the gun range will be required to show their membership card, letter of invitation, or rental agreement.
15. The combination lock on the gate must left at a number other than the combination at all times.
16. The gate must be left locked except for club approved functions, or if you are selling memberships.
17. Groups renting the gun range have the discretion to request that club members not use the range while the range is rented.
18. **The handling or discharging of firearms while under the influence of alcohol and/or drugs is strictly prohibited.**
